

## **EASTER means RESURRECTION**

Jesus is back to life; evil seemed to be winning, but at the end good and life was able to win over sin and death. Evil killed Jesus, but God raised Him from the tomb. Easter means resurrection; resurrection means victory; victory brings joy and joy brings peace.

In a world where aggressions, killings, hate and bullying is the normal law of life, Jesus comes back from the tomb and offers us a whole new life, a whole new attitude, a whole new possibility. But it is now up to us to welcome these opportunities; it is up to us to welcome a new attitude; to start a new life.

We Christians are invincible optimists, because we follow the one who was able to overcome the greatest pessimism, which is evil and death. If we want to be real Christians, we cannot give up on the future, because we know that Jesus is walking ahead of us to Galilee. Let's walk together full of joy and trust into the future.

## **THANKS and HAPPY EASTER.**

I have been your pastor for nine months now and I feel I want to thank you for being a great family, forming a great Christian community. First of all I want to thank thousands of you who pray, not only on Sunday, but also during the week together with your priests. It is a great sign of spiritual witness and great support, when people and priests pray together. I want also to give a great thanks to the hundreds of volunteers and employees, who are carrying generously most of the heavy weight of the pastoral responsibilities. I am very happy to see the fidelity with which many volunteers carry on their tasks in favor of their parish church. In this parish I really felt the presence of Jesus, because so many people devote time and energy for the Lord. The Lord is doing great things through the love and work of many of you.

We have to continue in the same journey, adding our interest and concern for our youth: altar servers, teenagers, youth and young families. It is the future of the Church and it is the lost sheep that Jesus wants to bring back to the flock. Another important aspect of our pastoral work is the Liturgy, where every week we encounter the real presence of Jesus. For the rest we should continue with the same enthusiasm we have demonstrated till now.

On behalf of the fathers, deacon, staff and volunteers, HAPPY EASTER TO ALL.  
Fr. Walter.
