

SHE HAS GIVEN MORE THAN ALL THE OTHERS

Jesus is watching people putting money in the basket at the entrance of the Temple of Jerusalem and He notices a poor widow putting in something like a “penny”. To our eyes almost an insignificant amount of money, but very precious at the eyes of the Lord. Why? Because she gave “all that she had to live on”.

What a generosity! What a great heart! God sees the heart, not so much the quantity of the money she gave. Her heart was giving more than all the other donors put together! You cannot give to God only what is left over of your table! You have to give some of your table! Something that is important to you; something that is a sacrifice! If you give up only the things that are not important to you or the things that are in surplus, then there is not sacrifice! It has to hurt somehow, it has to be worth it for you, almost necessary, then it becomes a sacrifice.

So really, it is not a question of “how much” but “with how much love you give”. And it is not even only a question of money, because the most beautiful things in life cannot be bought by money. Time, is more important than money; talents are more important than money and finally love cannot be bought by money.

The generous person is not only generous in church, but most of all in the house, in the community, giving his time and his talents generously and with joy. That is what God is looking for!
