

THE BAPTISM OF THE LORD

What happened at the river Jordan is the final “revelation” of Jesus as a Messiah. Actually in this event we recognize the presence of the Holy Trinity. As Jesus enters into the waters, we hear the voice of the God the Father saying that “He is the beloved Son”, making him “the Son of God”. At the same time we see the Holy Spirit descending over Jesus in the water in the form of a dove. The Holy Spirit is the third person of the Holy Trinity, so we have the three persons present at the Baptism on the Jordan River. This is the final and complete presentation of Jesus as the one in which God is pleased. So now he has all the credentials to speak and act in the name of God. He is ready to start his mission to save the world.

Why is the Gospel and the Church giving such importance to this event? Baptism for Jesus and for us is the beginning of everything. Today God is saying to each one of us: “You are my beloved son/daughter, in you I am well pleased”. Do we really believe that God is well pleased with us?
