

DO NOT LET YOUR HEARTS BE TROUBLED OR AFRAID

We are not alone or without help in the life that we have embraced. The Church strengthens our faith and feeds our souls "with the pure milk of her teaching, with the bread of the Eucharist; she makes us witnesses of Christ's resurrection and of the victory which He won over the forces of evil."

The Holy Spirit "breathes where he wills." He assists the local authorities in the Church. He inspires individual Christians if they call on him in their need. He inspires young people of both sexes to offer their lives to the service of the Church and their neighbor. He has inspired founders of orders and congregations to form institutes which would help the spread of the faith. He is at work today among us and among the separated brothers of the Church, helping and inspiring them towards that unity for which Christ prayed.

There are moments of crisis in all our lives, moments when a vital decision has to be made. If that decision is wrongly made it may not only seriously interfere with our earthly welfare, but more important still jeopardize our eternal salvation. We should call on the Holy Spirit to help us daily, but we should call for his assistance especially when we have a serious decision to make.

His role in the Church and in the lives of all Christians is to preserve and protect the revelation that God has given us. There are times in the lives of many of us when we are tempted to doubt about what we are called on to believe, or to hesitate with regard to what we are called on to do. It is on such occasions that the help of the Holy Spirit is especially necessary. He will not fail us if we turn to him earnestly and sincerely.
