

“REJOICE THAT YOUR NAMES ARE WRITTEN IN HEAVEN”

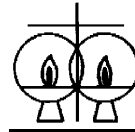

Jesus keeps sending out his disciples to the mission. He has two groups, two departments: One of the Apostles (12) and the other the disciples (70), whom he sends in pairs; we can refer that pair to the married couple.

The harvest is plentiful, but there are not enough laborers to collect the harvest! What a pity! Leaving the harvest to rot in the fields!

Jesus also gives strict regulations on the tools to be used! No purse, no bag, no sandals, no greetings! But how do we collect without a purse? How are we supposed to live without money in the bag? How are we supposed to walk till the end of the world without sandals? And, what is the problem in saying good-bye to the family? The disciples cannot rely on their own abilities or tools, but solely on the power of God, who sends him.

The disciples came back to Jesus all excited! They were able to cure the sick and even cast out devils from people! It must have been a great experience in ministry! They could step on snakes and scorpions, nothing could hurt them! Yes, a great pastoral experience!

But Jesus warns them to “rejoice” not because they are stronger than the devil, but because “their names are written in heaven”; because their names are written in the heart of God, the Father. It is from the heart of our Father that all good comes to us. Most of all, our greatest joy is because our names are written in the heart of God; our Father will never forget us; we are included in His heart, we are a part of His love and His life. That is the real joy.
