

WHO IS THE FAITHFUL AND PRUDENT MANAGER ?

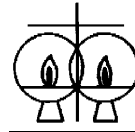

“Do not be afraid, little flock, for it is your Father’s pleasure to give you the Kingdom”.

In the Gospel of Luke Jesus assures us that the Father’s pleasure is to give us his Kingdom; a kingdom of justice, love and peace. We can consider ourselves very lucky because the Father is very happy to offer us His Kingdom. We actually already have it since our Baptism, but many times it is not active.

Jesus also tells us that we have to be FAITHFUL and PRUDENT MANAGERS. It is not enough to receive the Kingdom, we have to manage it! We have to make it work! We have to produce good spiritual goods for our life, for our family and for our community. We have to distribute our gifts at a proper time to our servants, those who are under our responsibility; be it family or church.

The Master will come at an unexpected hour, but if we are always ready for Him, it does not matter at which hour He will come; we will be always ready. Finally the Master warns us that He will expect from us a good management, a good response to his gift of the Kingdom. “To those who have been entrusted more, even more will be demanded”.

We have received so much from the Lord: graces, favors, the sacraments, the church and all its benefits; so much more will be demanded from us over those who did not receive so much from the Master.
