

I AM THE WAY, THE TRUTH AND THE LIFE.

With these three words, Jesus give the answer to all the questions and problems we have in our life. HE is the answer. Many people today seem to have lost the way: He is the way. Many people have lost the truth in the middle of so many lies, and HE is the truth. Many people have lost the meaning of life and HE is the life.

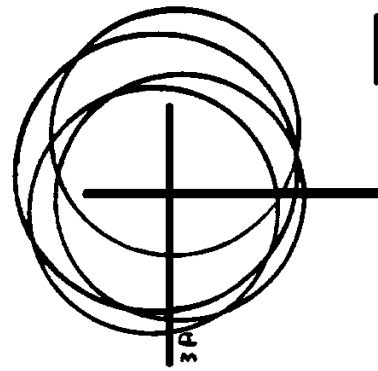

If we think a bit on the meaning of these three words, you realize that once we have HIM, we have the way of life, we have the truth of life and we have the center of our existence.

Jesus is not only showing the way, but HE is the way. Jesus is not only teaching us the truth, but HE is the truth. Jesus not only gives us life, but HE is our life himself. No one ever was able to say these words!

In a way, a Christian is another Christ, who comes back again on earth. That is our calling, that is our mission: to reincarnate again Jesus in our life and allow Him to walk again here on earth.

In a way it is quite simple, since we have a clear picture of what Jesus was, of what he said in the Gospels. So really it is only a question of “copying” his image into our life. And Jesus assures us that “the one who believes in me will also do the works that I do and, in fact, will do greater works than these, because I am with the Father”.

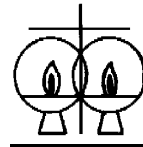

We are asked to do the works of Jesus and even greater works than He did. That is what it means to be a Christian!
