

WHO CAN BE SAVED?

Today's Gospel is very challenging, because it goes against most of the tenets of our modern society: money and success. "It is easier for a camel to go through the eye of a needle, than for a rich to enter the kingdom of God!" Then nobody can be saved, said Peter, because everybody wants to be rich and you cannot find anyone who wants to be poor. Success is another desire, which is hidden in everyone's heart. Money ordinarily brings to success and success produces money; they are both married together. BUT both of these desires are traps that become obstacles to enter the kingdom of the love of God and neighbor. Money is the poison of real love; money is a chain that locks you to the world and does not allow you to fly toward heaven. Money, like arrogance, brings you to all kinds of other vices. Money is the greatest danger to eternal life.

BUT, at the same time, I have known in my life a few rich people, who were able to use their money for building the kingdom of God. Some people at times may have a lot of money and be totally detached from it, so they can use it for the honor of God and the good of those who are in need. On the contrary, and this happens to most of us, we have a little money and we are so attached to it, that it is preventing us to grow in our spiritual life. The key in all this is to be "detached". As a matter of fact, Jesus told the rich man to go "to sell everything and give it to the poor" and then to follow Him. The first step is detachment, secondly generosity and finally radical commitment to Jesus.

If we want to be saved, we have to get rid of money! Actually we have to be "detached" from our money and give it to those in need, who could be our children, beneficial institutions and even the missions. "I preferred Wisdom (the love of God) to sceptres and thrones, and I accounted wealth as nothing in comparison with Wisdom" (Book of Wisdom 7.7).
