

IF YOU ARE THE SON OF GOD....!

The most insistent temptation that the Lord had to endure in the desert, was the doubt on His divinity. The devil is trying to put doubts even in Jesus' mind about his sonship to the Father, His ability to follow God's will for the salvation of humankind and the establishment of the Kingdom of God on earth. "If you are the Son of God!"

There is no victory when there is no battle. Temptation is a necessary part of our spiritual life. Jesus accepted to be tempted because He wanted to impress on us that with our broken nature we must find remedy to our sinfulness, through a life of sacrifice.

Virtues are beautiful things we need to practice a lot in order to acquire these virtues for our life, almost like a second nature. As the athletes and artists, we need to repeat and repeat a lot of times good deeds in order to become proficient in virtues. "Be perfect as your Father in heaven is perfect!"

This is the time of Virtue, this is the time of Grace. Lent is a special time, when the Lord wants to re-enact His wonderful deeds of salvation. It is a great opportunity for us to receive God's mercy, to grow in spirit and strengthen our ability to love God and our neighbor.

SO LET US GET INTO OUR SPIRITUAL JOURNEY TOGETHER.

Besides the traditional practices of almsgiving, prayer and fasting, I would like to suggest 2 things: 1 – "Returning to God" by increasing our "time of prayer" either at home or in church (Eucharistic Adoration). If we want Jesus to be our true friend, we have to spend some time with Him, as two good friends. He is waiting for us! 2 – We want to give Jesus the permission to return and repeat His passion in our lives. We want to offer our bodies and souls to Jesus, so that He may be able to return again to save this world through our bodies and our souls. He can come back if He finds generous bodies and hearts, who will allow Him to be present and suffer again through our sufferings and trials. Are we willing to offer our bodies and our lives (through bodily infirmities, family problems, and spiritual trials) for Him to have the possibility of coming back again to suffer and die again to save us? Let us take the challenge all together by offering to Jesus the chance to save again our world!

SCALABRINI THE FOUNDER

Words of Wisdom

“The world with its flowery images and entertainments and compelling attractions calls us continuously enticing us by way of its pleasure, to eternal suffering. The Church of Jesus Christ, on the other hand, always true to herself, always tranquil, never ceases to inculcate in her children the observance of evangelical discipline and, by way of sorrow, she leads them to eternal happiness.”

J.B. Scalabrini-Pastoral Letter on Penance - 1895
