

## THE HOLY TRINITY

No one could have imagined making God three in one, three persons in one Godhead. But if we really think about it, it makes a lot of sense. We know that God is love, because Jesus has revealed it to us. So, if God is love He needs someone to share His love with; an individual person cannot love without another person. So at least we need two persons for love to exist. The Father out of His abundance reverses all his love to the Son; who in return reverses all his love to the Father and the combination of these two loves is another person, the Holy Spirit.

The reality of God is in the **RELATIONSHIP OF LOVE** of the three persons; and such a relationship is so intense that it is alive as a person. The Father alone is not God; the Son alone is not God and the Holy Spirit alone is not God; only the unity of the trinity is God

We can enter into the circle of this relationship of love with the love that Jesus has brought to the world. In reality our human life is given to us in order to learn and find the real love, which connects us with the Trinity, which is relationship of love. The Trinity lives inside of us; surely it lives in heaven, but most of all in our souls. We must prepare a paradise in our souls for welcoming in us the Holy Trinity.

### At Mass IN PERSON

*We have received the following communication from our Bishop:*

“Given that most of the health and safety restrictions in our parishes are no longer in place and the faithful are able to attend the celebration of the Eucharist once again, the basis for the **dispensation** from the Sunday obligation has dissipated and is **no longer in effect**.

As we come to the celebration of Pentecost, we invite and encourage the faithful to **return to the practice of attending Mass in-person.**”

## ST. SCALABRINI THE FOUNDER

*Jesus also says: repent and do penance. And then he adds: if you will not repent and do penance, you will all perish in the same way. Could his words be clearer or stronger? As he dooms the happy-go-lucky and the carefree of this world, he raises his voice in blessing for all those who, through their generous mortification, succeed in overcoming their unruly passions; he blesses the poor, the meek, the humble and the pure of heart, those who weep and those who suffer persecution for justice's sake. J.B. Scalabrini-Pastoral Letter on Penance-1895*
