

### **VARIETY OF GIFTS, but the same Spirit**

Pentecost is the greatest spiritual event after the resurrection of Jesus. In fact, it is the application of the paschal mystery to the life of the Church. St. Paul tells us clearly that “NOW there are varieties of gifts, *but the same Spirit*; and there are varieties of services, *but the same Lord*; and there are varieties of activities, *but the same God*. And **all for the common good**”.

The abundance of the gifts, services and activities are extraordinary and for all those who are baptized. Pentecost is the moment when all these gifts become alive and active. Most of Christians, however, never reach the level of active participation in this abundance of the Spirit. They will never come to enjoy the plentiful graces of the Spirit.

All these gifts have a unique fountain and a unique origin, which is THE SPIRIT OF GOD. They originate from God and bring us to the union with God. Basically, they are given to the church for the unity and growth of the people of God and for their common good.

Pentecost is a personal infusion of the gifts of the Holy Spirit; it is only up to us to open our hearts and receive the abundance of God’s gifts in our lives.

How much we need a new Pentecost in our world today! How many people are “dormant” in their life and suffer from spiritual malnutrition. Pentecost is the opportunity that God is offering to us to fill our hearts with His gifts. It is our chance to be revived and strengthened by the abundance of the gifts of the Spirit.
