

**NO SLAVE CAN SERVE TWO  
MASTERS.**

**YOU CANNOT SERVE GOD AND  
MONEY.**

**WHOEVER IS FAITHFUL IN VERY  
LITTLE, IS FAITHFUL ALSO IN MUCH.**

You cannot fit two feet in one shoe! You cannot love two spouses at the same time. You cannot follow God and money. As human beings we can only love one person at the time, because we only have limited space for one in our heart.

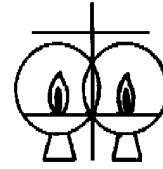

Decision! Decision! Decision! We can only take one step at the time; we can only breathe one breath at the time; we can only look at one direction at the time... we can love only one thing or one person at the time.

So, we have to make a decision, and one at the time. Even when we make a choice, we have to choose one among all the other choices. That means that by choosing one, we lose out on all the other choices. But if you do not choose any, then you are left with nothing.

Our life depends a lot on the choices we make and the ability to make the right choice. As human beings we have a fundamental choice to make: Either me or God, and from that fundamental choice all others will follow. In a more general way, we can choose this material world or our spiritual world as the goal of our life. We can live for our self-gratification or for self-giving. We can live for money and power or for God and obedience to Him.

And this is done in small steps! We must be faithful in the small things, if we want to learn and be ready for big things. And if we are trustworthy in small matters, we will be ready to receive eternal life.

“Make friends by means of material wealth, so that they may welcome you into eternal homes”. The right way to use and enjoy the material goods is to use them to build friends for the eternal homes; that is, by using material goods for spiritual life in eternity instead of our own good and satisfaction.
